Spelling City

<http://www.spellingcity.com/>

Spelling City is a fun new educational site that can help children improve their spelling skills: contains over 25,000 words, including plurals, contractions, future and past tenses; uses a real human voice that says both the word and the word in a sentence; has a 'Teach Me' function that spells out the word using both visual and auditory input to improve retention.

Spelling Time

<http://www.spellingtime.com/>

Spelling for grades 1-5 This website is very interactive and you NEED to have high speed Internet to enjoy it. It could be used as a complete spelling curriculum or in addition to your own curriculum. This website has spelling activities for every day of the week and as your child does the activities they earn points to play games after they have completed their work. It does have its own spelling lists each week, or you can modify it and insert your own spelling words. After your child completes their lesson it emails you to let you know how they did.

Splash from the River

<http://www.splashesfromtheriver.com/spelling/index.htm>

The Basic Cozy Spelling Course FREE 30 lesson online version. Appropriate for grade 6 to 8 level. The Course Outline, Spelling Rules, Lessons, Exercises, Dictation Exercises, and answer keys can be accessed from the Lefthand Navigation Bar.
